

Thank you for your interest in the scholarship offered by Solomons Sevens Chapter, Ohio Widows Sons based in Springfield Ohio. Our membership consists of Freemasons in the local communities that are part of a worldwide organization of brothers that also ride motorcycles to promote Freemasonry.

The scholarship is named in memory of our fellow Freemason and Widows Sons Brother Timothy Holiga who was killed near Waynesville Ohio in 2017 while riding his motorcycle when another vehicle ran a stop sign. This was our chapter's first loss due to a motorcycle accident and it affected our members dearly. To turn a negative into a positive and remind ourselves of Tim's great smile and devotion to the community, we began annual fundraising efforts for a fallen brother's fund; which in part finances this scholarship. Our scholarship program allows us to provide a small financial contribution to local youth on their path to success.
